BUILDING CHATBOT:

The screenshot shows the IBM Watson Assistant interface. The top navigation bar includes 'IBM Watson Assistant Lite', 'Upgrade', and 'HOSPOTIAL'. The main content area is titled 'Actions' and features a sidebar with options like 'Created by you', 'Set by assistant', 'Variables', and 'Saved responses'. The main table lists three actions: 'Hai', 'Male', and 'Female', each with a 'Last edited' timestamp, 'Examples Count' of 1, and a 'Status' of 'Success'. A 'New action' button is visible in the top right corner of the table. At the bottom, there is a 'Preview' button and pagination information indicating 'Showing 1-3 of 3 actions'.
